PROOFS:

The sample requirement for this contract is not less than 2 printed construction samples. Each sample shall be printed and constructed as specified and must be of the size, kind, and quality that the contractor will furnish.

Samples will be inspected and tested and must comply with the specifications as to construction, kind, and quality of materials.

Prior to the commencement of production of the contract production quantity, the contractor shall submit samples to: U.S. Government Printing Office, Contract Management Division, Contract Compliance Section (PPSC), Washington, DC 20401. Two (2) samples will be tested for conformance of material(s) and/or for construction. The container and accompanying documentation shall be marked PREPRODUCTION SAMPLES and shall include the GPO jacket, purchase order, and program numbers. The samples must be submitted in sufficient time to allow Government testing of the samples and production and shipment in accordance with the shipping schedule.

The Government will approve, conditionally approve, or disapprove the samples within 2 workdays of the receipt thereof. Approval or conditional approval shall not relieve the contractor from complying with the specifications and all other terms and conditions of the contract. A conditional approval shall state any further action required by the contractor. A notice of disapproval shall state the reasons therefor.

If the samples are disapproved by the Government, the Government, at its option, may require the contractor to submit additional samples for inspection and test, in the time and under the terms and conditions specified in the notice of rejection. Such additional samples shall be furnished, and necessary changes made, at no additional cost to the Government and with no extension in the shipping schedule. The Government will require the time specified above to inspect and test any additional samples required.

In the event the additional samples are disapproved by the Government, the contractor shall be deemed to have failed to make delivery within the meaning of the default clause in which event this contract shall be subject to termination for default, provided however, that the failure of the Government to terminate the contract for default in such event shall not relieve the contractor of the responsibility to deliver the contract quantities in accordance with the shipping schedule.

In the event the Government fails to approve, conditionally approve, or disapprove the samples within the time specified, the Contracting Officer shall automatically extend the shipping schedule in accordance with Contract Clause 12, "Notice of Compliance With Schedules," of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 6-01)).

Manufacture of the final product prior to approval of the sample submitted is at the contractor's risk. Samples will not be returned to the contractor. All costs, including the costs of all samples shall be included in the contract price for the production quantity.

All samples shall be manufactured at the facilities in which the contract production quantities are to be manufactured.

NOTE: Contractor must supply six (6) sample sheets 8 x 11 of production stock (cover & text) to be used on job.

Supply 032 Pantone's Red ink draw down on cover stock.

BINDING:

Perfect-bind text and wraparound cover; trim three sides. Drill three 3/8" diameter holes on the 8-3/8 side, 2-3/4 center to center. Center of holes to be 3/8" from left edge of product. Drilling must fit 7 x 9 ring binder.

PACKING:

Pack suitable per shipping container.
